Subject: Management Discussion and Analysis of Siam Wellness Group Public Company Limited for the 3 months period ended 31 March 2022 and to explain the causes of performance that is changed more than 20% from the same period last year

To: President

The Stock Exchange of Thailand

SIAM WELLNESS GROUP PUBLIC COMPANY LIMITED (“The Company”) would like to give details of the Management Discussion and Analysis of the financial statements of the Company and subsidiaries for the 3 months period (“1Q22”) ended 31 March 2022 and to explicate the causes of performance that has changed more than 20% from the same period last year. The Company and subsidiaries have the total revenue of 114.13 million baht, an increase of 57.86 million baht from the same period last year (or an increase of 102.82%). The net loss is 57.44 million baht, a decrease of 18.57 million baht from the same period last year. Net loss is accounted as 52.20% of sales and services’ revenue.

Summary of Quarter 1, 2022

Revenue

The Company and subsidiaries had total revenue in the 1Q22 of 114.13 million baht, an increase of 57.86 million baht from same period last year (or an increase of 102.82%). The big proportion of revenue comes from the spa business, which accounted to 60% of the total revenue as detailed below:

As of 31 March 2022, Company has 67 branches (62 domestic branches and 5 overseas branches). Two new branches opening and 5 branches closure. As of 31 March 2021, Company had 70 branches (65 domestic branches and 5 overseas branches).

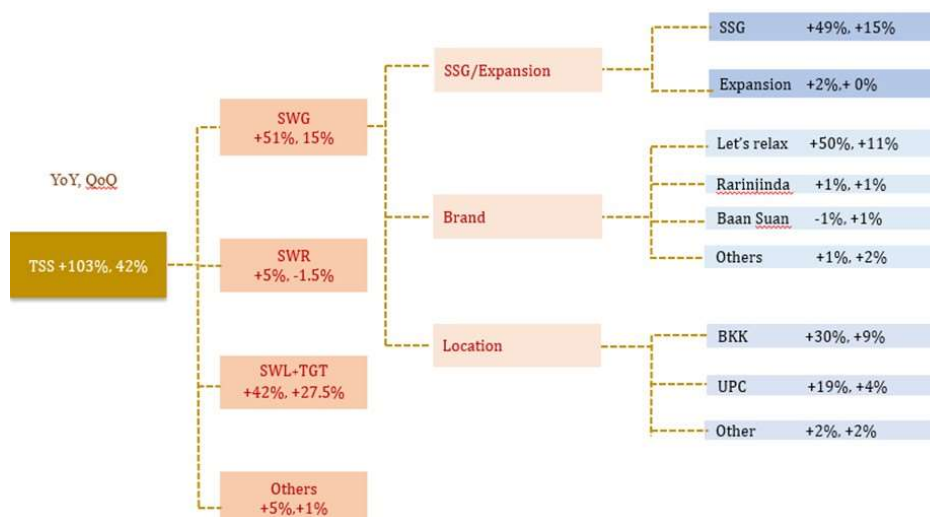

The increase in revenue was due to the government's easing measures to control the spread of the COVID-19 from the 3rd quarter of 2021 to the present. Although the Omicron variant spread in Thailand in early 2022, Thai people are more confident in using spa services due to the vaccination coverage. Moreover, the company's ATK measures those customers check before receiving the service every time and branch employees must check ATK every day, as well as other safety measures that the company takes care of customers helps increase customer confidence in using our services. However, tourists, which are the main customers of the company, still unable to travel. As a result, revenues are still affected when compared to normal events.

In addition, the company has found new source of revenue generation, which is considered very successful in the first quarter of 2022, the import of Goldsite Saliva ATK to sell during the Covid-19 Omicron Variant Spread, causing the company to have an additional income of 27 million baht.

- Other Revenue increased 5%

The SSG Stores Revenue increased 49% compared to previous year, whereas Expansion Stores Revenue increased 2%

In terms of Revenue by Brands, Let’s Relax’s Revenue increased 50%, RarinJinda Wellness Spa’s Revenue increased 1% and Baan Suan Massage Revenue dropped 1%.

In terms of Revenue by Locations, Bangkok branches’ Revenue increased 30% and Upcountry branches’ Revenue increased 19%.

Hotel & Restaurant Revenue increased 5%. The Proportion of Hotel & Restaurant Revenue to the Company’s Revenue is similar between 1Q21 and 1Q22. The Occupancy Rate and ADR increased slightly.

The Proportion of Spa Product Revenue to the Company’s increased from 13% in 1Q21 to 32% in 1Q22 with Goldsite ATK being the main contributor and Promotional Campaign in Online Channels

Cost of Sales and Services

In the 1Q22, the Company and subsidiaries had the cost of sales and services of 129.15 million baht, accounting for to 117.39% of sales and services’ revenue. This is an increase of 30.90 million baht from the same quarter of the previous year (or an increase of 31.45%). The increase was mainly due to lower rental discounts received during the period. As most landlords saw that the situation was starting to improve in a better direction, they began to charge or give a discount at a lower rate while other variable costs from the reopening of the service increased, such as raw material costs, therapist salary as well as other staff expenses and company still have to bear other fixed costs such as depreciation. As a result, there is still a gross loss in 1Q22.

SG&A and Interest Expenses

In the 1Q22, the Company and subsidiaries had the selling and administrative expenses of 39.26 million baht, accounted to 35.69% of the revenue from sales and services. This is an increase of 2.86 million baht from the same period last year (or an increase of 7.86%). This is mainly from the write-off of branch closure such as

Baan Suan Udon Thani and Let's Relax Ibis Hotel approximately 4 million baht. Other expenses are similar to previous period. Company has managed the Selling and Administrative Expenses quite well.

Net Loss

In the 1Q22, the Company and subsidiaries had the net loss of 57.44 million baht or accounted 52.20% of the revenue from sales and services. The net loss of the Company and subsidiaries decreased 18.57 million baht (or a decrease of 24.43%) compared to the same period last year. The lower loss was mainly due to higher sales due to the easing of the COVID-19 and Thai customers are more confident in returning to use the service as most of them have been vaccinated together with the Company's respectable safety standards. The company also managed costs and other expenses quite efficiently.
