The Chairwoman asked Ms. Yonlawan Ahemalongkorn (Chief Financial Officer and Assistant Managing Director – Accounting and Finance), to report the Company's Financial Statements for the Year Ended December 31, 2023

Ms. Yonlawan Ahemalongkorn (Chief Financial Officer and Assistant Managing Director – Accounting and Finance), stated that, the company's revenue increased from 721.37 million baht to 1,473.29 million baht, marking a rise of 751.92 million baht or 104%. This is higher than the pre-COVID period when the company had revenue of approximately 1400 million. Similarly, costs of Goods Sold rose from 630.83 million baht to 1,010.06 million baht, an increase of 379.22 million baht or approximately 60%. This rise in sales and service costs occurred in both fixed and variable cost segments. Fixed costs increased due to adjustments in lease agreements from fixed to revenue-sharing terms, as pandemic-related rent discounts diminished with the return to normal situation. Variable costs related to service providers increased as the company operates on a pay-per-job basis, with increased revenue leading to higher labor costs. Additionally, there were increased expenses related to branch operations, such as water, electricity, and maintenance costs, contributing to the company's gross profit increasing from 80.45 million baht to 463.23 million baht. SG&A expenses also increased from 127.16 million baht to 138.69 million baht, an increase of about 11 million baht. This increase primarily stemmed from fixed costs such as employee expenses, although reduced rental costs also significant. Loss sharing from the joint venture between SWG and Siam Wellness Amenities Co., Ltd. (SWA) increased from 0.09 million baht to 1.33 million baht due to joint venture operations. Interest decreased from 50.35 million baht to 46.12 million baht, a decrease of approximately 4 million baht, reflecting the management's policy of reducing financial expenses, with early loan repayments occurring multiple times during the year. This will be evident in the balance sheet. The company incurred minimal income tax expenses last year, but this year saw tax revenue of 55.04 million baht. The company recorded loss carryforwards in the fourth quarter of approximately 56 million baht, resulting in a net loss of 88.03 million baht last year, which turned into a net profit of 332.14 million baht this year.

The decrease in Property, Plant, and Equipment from 1,031 million baht to 954 million baht, a reduction of 77 million baht, is primarily due to depreciation expenses recorded during the year. The reduction in Right of Use from 971 million baht to 471 million baht, a decrease of 500 million baht, is mainly due to negotiations to change lease agreement terms from fixed to revenue sharing, resulting in non-compliance with accounting standards, specifically regarding lease contracts under TFRS 16, leading to an adjustment and reduction in this part.

Last year, the company had long-term loans of around 612 million, but this year it has decreased to 314 million, almost 300 million lower. This reduction is because the management has implemented a policy of early loan repayment to save on interest, resulting in a significant decrease in the company's debt. Regarding liabilities under financial lease agreement, they have decreased from 1,043 million to 544 million, almost 500 million lower, due to the company adjusting some lease agreement conditions. Employee benefit liabilities are similar to last year. This is an overview of this year's financial statements.

The Thai Investors Association suggests that companies listed on the Stock Exchange of Thailand organize shareholder meetings in a Hybrid format, combining both on-site and online meeting, to facilitate interaction and communication between shareholders, management, and the board of directors. This proposal aligns with the Securities and Exchange Commission's circular from January 10, 2024. Should the companies consider adopting this Hybrid meeting format?

The Chairwoman answered The company is committed to providing the best convenience for all shareholders to participate in meetings. However, there are risks associated with COVID-19. Nevertheless, the company will reconsider the proposal from the association. Thank you for the suggestion.
